HOTEL & SPA

WHEN THERE'S SOMETHING SPECIAL HAPPENING

With a sweeping tree lined approach, the Dunboyne Castle Hotel & Spa stands majestically over its 21 acre demesne of mature formal gardens, making any arrival an unforgettable one.

The magnificent landscaped gardens & historic architecture at Dunboyne Castle Hotel & Spa are a wonderful addition to your day. The picturesque grounds with stunning seasonal gardens, trees & shrubs, & featuring design elements such as a gazebo, will prove to be the ideal location for your timeless wedding photographs.

With such an idyllic setting, Dunboyne Castle Hotel & Spa offers a magnificent backdrop against which to set an exclusive reception.

Originally home to The Butlers of Dunboyne, the original Castle on the Dunboyne Estate was destroyed during the Cromwellian invasion of Ireland as a result of the family's refusal to convert to Protestantism.

The Georgian house that we see today was completed in 1764 by Drogheda architect George Darley. Some of the finest works from the Lafranchini Brother's ornamental stucco plasterwork is on display. The ceiling over the staircase depicts the four elements to life at this time; War, Music, Education & Love. The original floorboards that carry you through this house have carried many of the most influential people in Irish history.

Our team prides themselves on excellent service & we promise we will go the extra mile to tailor-make your day.
